

## MERCEDES SPRINTER L3H3

**raaco van equipment is Danish first class quality and design!**

raaco van equipment is made of lightweight aluminium and is built up from a variety of flexible modules, which are easily installed in the van. You can choose between raaco standard modules or a customized solution, which is made to suit your exact needs.

A wide range of bins and assortment boxes are available for each module, made from robust, high grade plastic. The system gives you a quick overview and direct access to the contents, so you can work effectively throughout the day.

**With raaco van equipment you get a robust, durable solution for your mobile workplace.**
