September 2021
BBA @raaco.com

Regulations (EC) No.850/2004 and 519/2012 about persistent organic pollutants (POP) and about the changes of regulation 79/117/EEC, deals with the protection of the human health and the environment against these substances by a preferably early elimination of manufacturing or accordingly by the limitation to a minimum regarding production, placing on the market and usage of these substances.

Furthermore, the regulation defines provisions about waste, which consist of containing or dealing with contamination by these substances.

We hereby declare that according to regulations (EC) No.850/2004 and 519/2012, there are no persistent organic pollutants in the products manufactured by raaco A/S.

Our declaration is valid for the list of 30 unique substances/entries, last updated on 12 November 2020.

The statements made here are mainly based on the information provided by our suppliers, those statements are not corroborated by laboratory analyses.

Yours faithfully
raaco A/S
